ABOUT THE DESIGNER

Hi! I am Gentry Lemerond, the designer of this pattern. I started quilting in about 1999. From the beginning I never followed a pattern. After years of doing my own thing my friends convinced me to start writing the patterns for them. Here they are.

BEFORE GETTING STARTED

- This quilt is made with batiks.
- Read through all directions before starting.
- All seams are 1/4".
- WOF stand for width of fabric and assumes 42".
- Check my website for pattern corrections.
- Contact me at info@quilted-fox.com if you notice any needed changes.

NOTES:

You can either make all these HST's and 3-PQST's all at once and then piece the quilt, or you can make all the pieces for one row and sew that row.

I personally, piece row by row as I get bored making the same block over and over again. I do not think there is any time savings either way, it is just preference.

Row By Row Piecing

These are the row by row piecing instructions. Follow the assembly diagram on page 11 for the positioning/turn of the HST's and the 3-PQST's. All pieces should be 3-1/2" tall UF. The row instruction give you the length and the HST pieces you will be using by Fabric.
